

Can you believe its nearly March already!

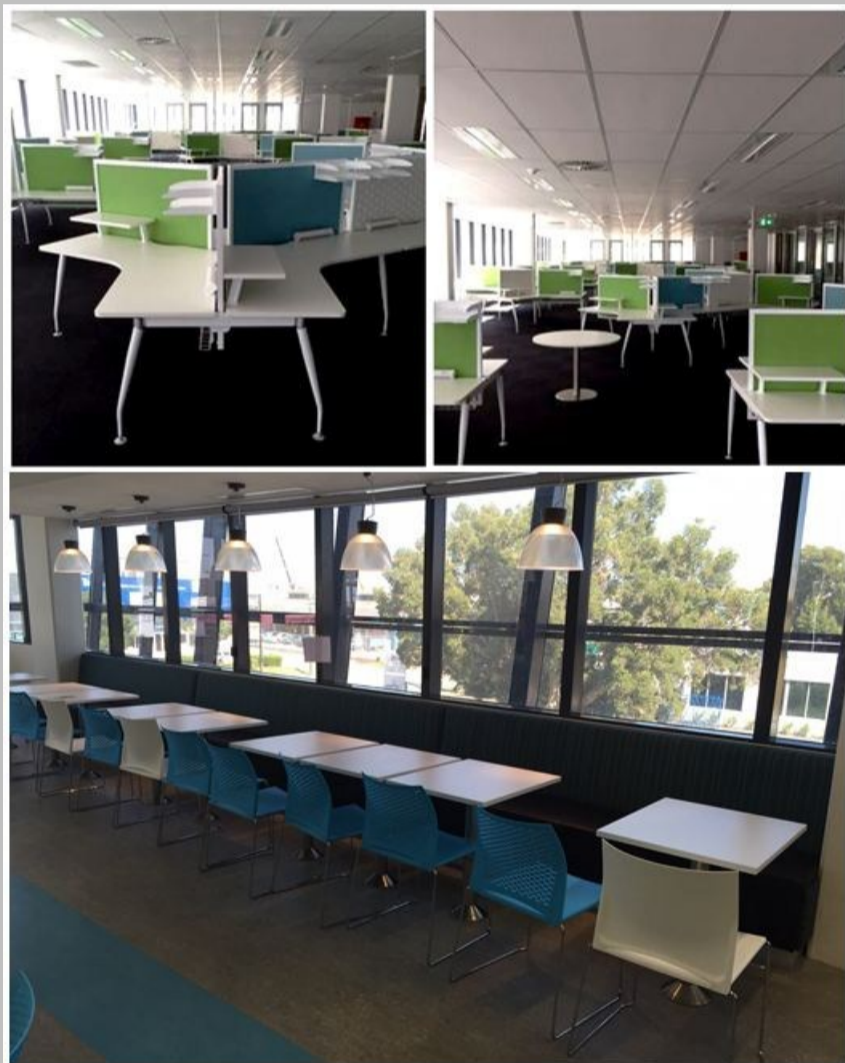

Have a look below and see what we've been upto.

## Project update

One of our recent projects has been the fitout of Baptist Care's new premises in Belmont. Working together with Meyer Shircore, the fitout included 120 workstations using our Artiv/Tec 30 system with metal storage as well as reception, meeting room & breakout furniture and custom booth seating.

## Coming soon

Joining our Bonnie chair with timber base will soon be the Carm & Chill chairs. We are looking forward to including these in our collection in approx 12 weeks.
