

Wine & Design 2014

A big thank you to all those who joined us for our very first Wine & Design event on September 25th.

It was great to see many familiar faces as well as meeting new clients.

Our guests enjoyed wine tasting from Bunkers wines, woodfired pizza from Ciccibello and music from DJ Bronia in our new CBD showroom -

Burgtec on Hay! (993 Hay Street)

We had 2 lucky door prize winners, Dennis from Armstrong Parkin Architects & Matthew from Habitat 1 who both went home with a 6 pack of Bunkers wines, congratulations!

More images from the evening can be viewed on our [Facebook](#) page & we thank you again for supporting Burgtec.

Exciting news!!

We have officially joined forces with the renowned brand; Martela and will be proudly representing the Meta Group in Western Australia.

Martela is a family company based in Finland and has been operating for over 65 years. They are the largest company of their type in Finland and one of the three largest in the Nordic region, having production facilities in Finland, Sweden and Poland. Martela designs and supplies interior solutions for working environments & public spaces and we look forward to representing them in WA.
