Flexibility and value for money

Cubit Tables

Cubit Tables are the ideal solution for the modern office. The quality finish ensures stunning results and great value.

Cubit Tables are extremely flexible and can be used in multiple situations from boardrooms and break-out areas to training rooms.

Cubit Tables are designed so that you can have a table in your desired size, at an affordable price.

Combine Cubit Table bases with any of our standard range melamine tabletop colours to create the perfect office table solution.
