A new way to store

Neos Storage is a new take on melamine storage.

Like all individuals and workspaces, Neos is highly flexible and adaptable especially in colour combinations and variations. Built to last, Neos will add the essential storage required in your workplace.

Features

- All 18mm construction
- Planter boxes available
- Optional extras include locks, soft-close, additional shelves and door types
- Option to add upholstered seat on mobile units
- Made in Australia

Finishes

- Two-tone construction available
- Carcass/Doors: House melamine range
- Handles: House powdercoat range, Matt Brass or Brushed Nickel
- Custom finishes available upon request

REFRESHING AND VERSATILE

Neos is an intuitive, fresh and adaptable storage collection that is so easily personalised to any modern office.

With the ability to 'mix and match', the Neos speciality is adapting to different situations and fitting in to your space.

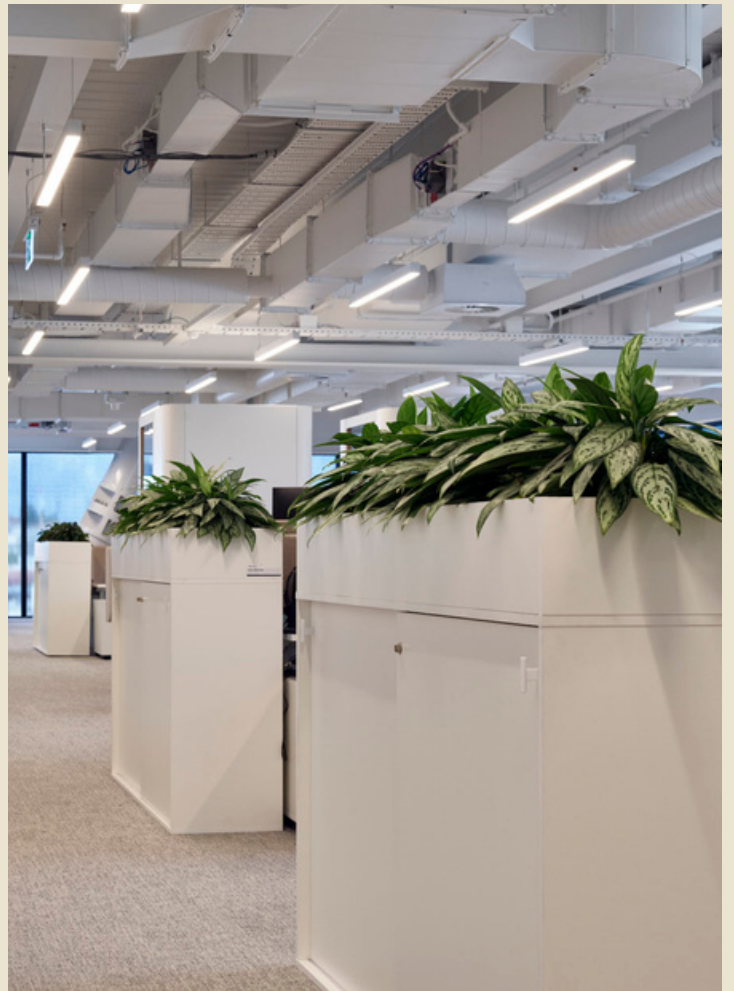

The classic, timeless configurations are available in any finish combination which opens boundless design opportunities.

AUSTRALIAN MADE

Burgtec is serious about manufacturing furniture here in Australia using locally sourced materials. It just makes sense in order to provide world-class furniture with quicker lead times and true sustainability.

Designed and Manufactured in Australia Neos storage units are available within a 4-6 week lead time.

VALUE-DRIVEN DESIGN

The Neos storage range was developed for maximum functionality and value.

To achieve optimum storage efficiency while prioritising stability and strength, Burgtec's product development team invested substantial time assessing innovative processes in the design and manufacture of Neos storage units.

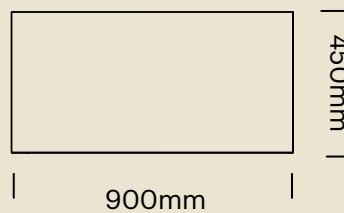

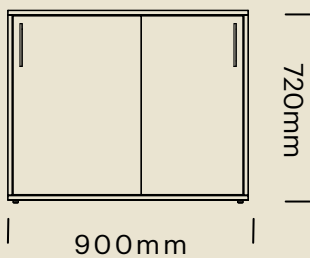

The final product is a classic combination of practicality and sophistication.

Care and Maintenance

Laminate Surfaces

Clean with a damp, soft cloth or sponge using lukewarm water. Neutral diluted detergent may also be used with lukewarm water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided.

Chrome, Anodised, Polished or Powdercoated Metal Surfaces

Clean with a damp, soft cloth or sponge using lukewarm soapy water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided. Sponges and scourers made from synthetic fibres or metal which may leave permanent scratches on the surfaces should also be avoided. Ensure product is dried with clean fibre free cloth after washing..

Warranty Information

Neos Storage offers 10 Year Warranty. Burgtec promises the original purchaser, at our option, to repair or replace any of the said product or component thereof, subject to normal commercial use, that is defective in material or workmanship for the time period offered on the product from date of purchase. To view the full warranty statement for Neos please go to burgtec.com/neos.
