## Laminate Surfaces

Clean with a damp, soft cloth or sponge using lukewarm water. Neutral diluted detergent may also be used with lukewarm water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided.

## 2PAC Finished Surfaces (MDF)

Use lukewarm soapy water and a damp soft cloth or sponge to gently wipe off any dust or liquid, making sure to towel dry all moisture off once clean – liquids including cleaning chemicals or water should not be left to soak on the surface as staining can occur. Avoid abrasive, solvent-based, cream cleaners and products containing silicone, as they damage the surface making it unsuitable for recoating. Any unintentional damage to the surface should be resealed immediately to prevent moisture soaking in.

## Chrome, Anodised, Polished or Powdercoated Metal Surfaces

Clean with a damp, soft cloth or sponge using lukewarm soapy water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided. Sponges and scourers made from synthetic fibres or metal which may leave permanent scratches on the surfaces should also be avoided. Ensure product is dried with clean fibre-free cloth after washing.

## Fabric

For a general clean, regular dusting and vacuuming removes any loose particles and stops dirt from entering the weave and breaking down the fibres. When necessary, the upholstery should be gently wiped with a clean cloth, dampened with warm soapy water. Immediately dry with a clean and dry non-abrasive cloth. Do not use strong or abrasive cleaning fluids or detergents, as these may affect the colour and finish of the fabric. Upholstery can be professionally dry-cleaned if required. For best care and maintenance results please follow manufacturer's instructions.

## Warranty Information

The Strata Circulate Table has 10 Year Warranty. Burgtec promises the original purchaser, at our option, to repair or replace any of the said product or component thereof, subject to normal commercial use, that is defective in material or workmanship for the time period offered on the product from date of purchase. To view the full warranty statement for Strata Circulate please go to [burgtec.com/strata-circulate](https://burgtec.com/strata-circulate).
