A testimony to a long history of design, this fabulous chair showcases European influence with that signature minimalistic look.

Built with fluid lines, the Luna brings a relaxed feel to any room it graces.

SOLID TIMBER CONSTRUCTION

The comfortably curved backrest is created by bending the timber under incredible heat and pressure, adding to the strength of the timber and giving this chair its ergonomic feel and identity.

Made to last, this is a timeless design that will bring years of practical use.

With a clean cloth soaked in a mild soap solution, gently remove the stain. Do not soak the surface, dry and buff immediately with a clean cloth. For best care and maintenance results please follow manufacturer's instructions.
