# GENERAL CARE AND MAINTENANCE

## Leather

Periodically dust with a clean, dry soft cloth. Do not expose your Chairs to prolonged Sunlight or other heat sources as this may cause fading. Avoid extremes of Humidity. For Dried Soiling: Gently brush with a soft brush or gently clean with a vacuum cleaner. For Wet Soiling and deep cleaning: Gently remove the excess substance from the surface with absorbent paper. With a clean cloth soaked in a mild soap solution, gently remove the stain. Do not soak the surface, dry and buff immediately with a clean cloth. For best care and maintenance results please follow manufacturer's instructions.
