

MUUNA - 5-STAR BASE

MUUNA - 5-STAR BASE

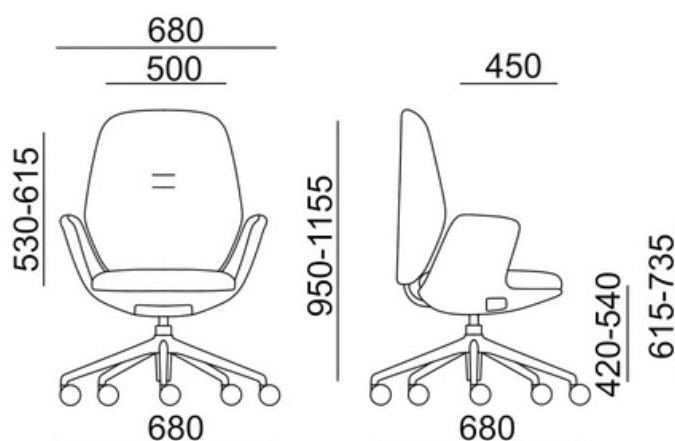

Fully-upholstered swivel chair with a rounded shape and armrests. Muuna is a synergy of simple form and functionality.

It is both, a comfortable soft armchair and at the same time an ergonomic chair.

The model with 4-star base or 5-star base easily fits into any office environment or at home.

Mechanism	Self-adjustable - SELF 1C with cable control The mechanism's counter-pressure is automatically set within the range of approx. 50 – 120 kg of body weight with the possibility of the backrest to be locked in 3 positions. The maximum angle of backrest tilt is 20°, synchronous seat movement in the range of 6,5°. The mechanism's parts and controls are located inside the seat frame so as not to disturb the overall appearance of the chair. Gas spring – black, height-adjustable.
Design	The seat frame is a plastic mould which, together with armrests forms one unit. Armrests are filled with PUR foam on the inside. The seat cushion, a mould made of PUR foam with bulk weight of 70kg/m ³ ensures comfortable seating. The backrest is shaped beech plywood with PUR foam with bulk weight of 70kg/m ³ . This armchair is height-adjustable to 5 positions within the range of 85mm.
Upholstery	To be selected from fabric collection.
Base	To be select Black, five-star base of Ø 68 cm, material polyamide.
Castors	Braked castors of Ø 60 for hard or soft floors.
Optional	<ul style="list-style-type: none">• Base of Ø 68 cm, white plastic (no additional charge)• Base of Ø 70 cm, polished ALU with chrome gas spring• Castors with chrome ring for hard or soft floor• Castors with white ring for hard or soft floor• Low glides for hard or soft floor (base .04 only)• High glides for hard or soft floor (with felt pad)
