Portable Storage

burgtec.

Be organised, work anywhere.

Hotbox portable storage solutions are empowering global businesses to embrace agile ways of working.

Allowing staff to quickly set up their workspace on-the-go or in a hot-desking environment, and always keeping the office clutter-free - both staff and employers love them!

Their aesthetic, functional, sustainably focussed designs have earned them the leading spot internationally when it comes to portable storage for businesses. With the range covering backpacks, lockable caddies, and more, there is something for everyone.

Some happy Hotbox clients include: Amazon, Google, Facebook, Philips, L'Oreal Paris, Salesforce, Xero, HSBC.

As a distributor for Hotbox, Burgtec is excited to be bringing these versatile solutions to Australia.
