Make a Statement

An eye-catching collection with a rounded 'bee-hive' - inspired design, Jara brings another level of flair to any commercial or hospitality environment.

Not only elegant but also versatile, with an array of sizes and fabrics, including 2 tone upholstery - the Jara will be the statement piece in your space.

From a tall shelter for those moments of calm in a busy environment, or a cosy collaborative setting as an informal meeting place. There's a Jara for every occasion.

Features

- Designed in Italy
- Available in 1 seater & 2 seater
- Available in Std & Tall back
- Timber interior construction
- Rounded beehive design

Finishes

- Upholstery: Select from Burgtec house fabrics/leathers or fabric of your choice

- Two-tone upholstery available

A COMPLETE FAMILY

Whether its a casual 'huddle', a quiet break or seating for a high traffic area, Jara's range of sizes provide the flexibility to suit any environment.

Sofas and lounge chairs are available in either 1 or 2 seater - standard height, and tall back .

Unmistakably impressive, the Jara tall back is designed as a flexible way to divide spaces with impact, while the standard height sofas with their gentle curves are a timeless lounging option.

IN STOCK OPTIONS

Burgtec believes in balancing practical needs with inspiring ideas and we understand that sometimes deadlines are tight.

For limited deadline projects there are in-stock options in Category A 'Atlas Smoke' fabric available for 1-2 week delivery.

EYE CATCHING DETAIL

With its beehive inspired silhouette, the Jara owns the room wherever it goes.

The distinctive gentle curves of the tiered upholstery are welcoming and luxurious.
