

Kanon

Tables

burgtec.

A boardroom icon.

The modern solution for boardrooms, meeting rooms & breakout space, Kanon tables can be the centerpiece of the room, or they can be used to complement other focal points.

Kanon uses a nordic cylindrical base design for a clean, ornamental feature in any space.

With power and cable management solutions available for all heights and an endless array of finishes, all within the prompt Burgtec lead time, Kanon is the definition of artistic versatility.

Features

- Cylindrical base design
- Available in 5 heights: Standard, Counter, Bar, Coffee & Side
- Optional Power / Cable Management accessories
- Made in Australia
- 10 year warranty

Finishes

- Base: Select from Burgtec house metal coatings
- Tabletop: Select from Burgtec house laminates (Contrast edging available)
- Coffee & Side Tabletops: black or white steel or select from Burgtec house laminates

CUSTOMISED SOLUTIONS

The Kanon range answers to just about every table requirement.

Its adaptability and strength comes from the hollow cylindrical drum structure, available in every height of commercial table: standard meeting height, counter height, bar height and coffee or side table height, as a single drum or double drum base.

Starting from the set of standard options, and customising the size, shape, finishes and accessories, every Kanon design is unique to each project.

LOCAL MANUFACTURING

Kanon was designed in Australia,
to be made in Australia.

Burgtec is serious about manufacturing furniture here in Australia using locally sourced materials. It just makes sense in order to produce world-class furniture with quicker lead times and true sustainability.

From melamine tops to the fabricated steel drum bases, Kanon is 100% a product of Australia.

LOCAL FINISHES

Burgtec's wide range of local house finishes are available with no extra lead time.

With hundreds of combinations in laminate top colours and drum base metal coatings, each Kanon table can be perfectly cohesive with its environment, without the worry of possible supply chain delays.

Care and Maintenance

Laminate Surfaces

Clean with a damp, soft cloth or sponge using lukewarm water. Neutral diluted detergent may also be used with lukewarm water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided.

Chrome, Anodised, Polished or Powdercoated Metal Surfaces

Clean with a damp, soft cloth or sponge using lukewarm soapy water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided. Sponges and scourers made from synthetic fibres or metal which may leave permanent scratches on the surfaces should also be avoided. Ensure product is dried with clean fibre- free cloth after washing.

Timber Surfaces

Clean with a damp, soft cloth or sponge using lukewarm water. Neutral diluted detergent may also be used with lukewarm water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided.

Warranty Information

Kanon Tables have a 10 Year Warranty. Burgtec promises the original purchaser, at our option, to repair or replace any of the said product or component thereof, subject to normal commercial use, that is defective in material or workmanship for the time period offered on the product from date of purchase. To view the full warranty statement for Kanon please go to burgtec.com/kanon.
