

Axis Chair

burgtec.

The practical seating solution.

Comfort is ensured by the particular structure of the Axis chair through its ergonomic and functional design.

Available in a range of colours and material finishes including polypropylene seat and backrest, polypropylene seat and mesh backrest, or the option to upholster the backrest and/or seat, Axis offers excellent stackability, optimising your space.

Axis also features optional armrests and a writing tablet, making it a comprehensive collection suitable for a wide range of settings from training to conference, hospitality and more.
