

Rosie

Tables

burgtec.

A suite of modular tables and accessories designed for collaboration.

Various table lengths, heights and additional accessories, means there is a Rosie table to suit any space, large or small, for sit-down meetings or stand-up sessions.

Rosie was born from the need for a table system to satisfy the new hybrid work styles of tomorrow's office. The name 'Rosie' was inspired by the foot - 'ring-around' frame design feature - a unique addition to standing height tables providing a place to rest your foot.

Made locally exclusively for Burgtec, the Rosie table is available within a 4-6 week lead-time.

Features

- Available in Round, Square, Rectangle
- Available in 3 heights - sitting height, bench height, standing height
- Optional Castors
- Optional Power/Cable Management accessories
- Optional Planter
- Unique footring for higher tables

Finishes

- Frame: Select from Thinking Works Standard and Premium Finishes
- Tabletop: Select from Burgtec house laminates (Contrast edging available)

A COMPLETE FAMILY

Whether its a formal staff meeting or a quick catch up over coffee, Rosie's extensive range of shapes and sizes as well as accessories and modular components provide the flexibility to suit any environment.

Available in 3 heights and tabletop sizes up to 9.6m, Rosie is just as at home in the centre of a crucial brainstorming session as is for a casual 1:1 meeting.

All standing height Rosie tables have a unique foot rail adding an extra dimension of comfort as a footrest.

INNOVATIVE CHOICES

A comprehensive range of accessories are available for the Rosie to upgrade and enhance.

There is the centre piece Power Vortex with various power and data configurations including options of 2 and 4 GPO units.

Or the Power Planter box housing 4 pot plants and 2 concealed power and data points powered through Gromet. Available in a choice of colours.

Castors are also available for flexibility to move around.

LOCALLY MANUFACTURED

Rosie is the outcome of a collaboration between two like minded companies committed to keeping it local.

When Burgtec's product design team devised a plan for new table system, it just made sense to join forces with Thinking Works' vast experience in the commercial furniture market.

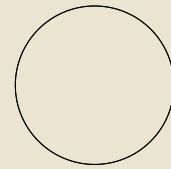

Being both designed and manufactured in Australia means the Rosie is available within a 4-6 week lead time.

Care and Maintenance

Laminate Surfaces

Clean with a damp, soft cloth or sponge using lukewarm water. Neutral diluted detergent may also be used with lukewarm water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided.

Chrome, Anodised, Polished or Powdercoated Metal Surfaces

Clean with a damp, soft cloth or sponge using lukewarm soapy water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided. Sponges and scourers made from synthetic fibres or metal which may leave permanent scratches on the surfaces should also be avoided. Ensure product is dried with clean fibre- free cloth after washing.

Timber Surfaces

Clean with a damp, soft cloth or sponge using lukewarm water. Neutral diluted detergent may also be used with lukewarm water. Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams) should be avoided.

Warranty Information

Rosie Tables have a 10 Year Warranty. Burgtec promises the original purchaser, at our option, to repair or replace any of the said product or component thereof, subject to normal commercial use, that is defective in material or workmanship for the time period offered on the product from date of purchase. To view the full warranty statement for Rosie please go to burgtec.com/rosie.
