

Vista

Lounge

burgtec.

Adaptability with every curve.

With its simple curved lines, the Vista range brings softness to the commercial space. Available in a standard or tall back and a wide number of shapes and configurations, the Vista pieces can be combined to create linear or angular settings of different sizes.

Vista's gradually flaring back offers comfort and support while the tall back version provides additional privacy if required.

Vista finds its place in open offices, receptions or breakout areas alike.
