UNMATCHED COMFORT

The Burgtec World One Chair features an unprecedented combination of performance and comfort within a minimal design.

With its weight-sensitive recline, the chair automatically supports every user at every recline position.

The unique tri-panel, non-stretch mesh back construction creates body-fitting contours and provides self-adjusting lumbar support for an automatic, customised fit.

SIMPLICITY OF FUNCTION

The Burgtec World One chair has just three manual settings, one each for seat height, seat depth and arm height.

All other fittings and adjustments are automatic. Users can take full advantage of its ergonomic benefits the moment they sit down, without even thinking about it.

That means knobs, levers and instructions are replaced with effortless ergonomic comfort.

With minimal parts, the Burgtec World One chair is built to last. Requiring minimal maintenance, it comes with a 15-year warranty.

HUMANSCALE PARTNERSHIP

Humanscale has solidified its status as a true global leader in ergonomics since the 1980s, known for its innovative, award-winning, user-focused designs featuring ground-breaking technology.

Through their exclusive World One chair stock program, Burgtec is honoured to be collaborating with the New-York based company, who partner with the legendary designer Neils Diffrient for a number of iconic seating solutions.

Care and Maintenance

Fabric

For a general clean, regular dusting and vacuuming removes any loose particles and stops dirt from entering the weave and breaking down the fibres. When necessary, the upholstery should be gently wiped with a clean cloth, dampened with warm soapy water. Immediately dry with a clean and dry non-abrasive cloth. Do not use strong or abrasive cleaning fluids or detergents, as these may affect the colour and finish of the fabric. Upholstery can be professionally dry-cleaned if required. For best care and maintenance results please follow manufacturer's instructions

Leather, Vinyl, PU & Faux Leather

Periodically dust with a clean, dry soft cloth. Do not expose your Chairs to prolonged Sunlight or other heat sources as this may cause fading. Avoid extremes of Humidity. For Dried Soiling: Gently brush with a soft brush or gently clean with a vacuum cleaner. For Wet Soiling and deep cleaning: Gently remove the excess substance from the surface with absorbent paper. With a clean cloth soaked in a mild soap solution, gently remove the stain. Do not soak the surface, dry and buff immediately with a clean cloth. For best care and maintenance results please follow manufacturer's instructions.
