

Strata+ Sit Stand Workstations

Faster, stronger, smarter than ever

burgtec

Strata+ is the world leading sit-stand desk system.

Features:

- 2× faster, and with lower frequency pitch operates with less distraction to adjacent users
- 7 powder coat colours available in the EXPERIENCE range
- Short lead times: typically 6–8 weeks, including Curated Palette colours
- No MOQ, and no price premium for Curated Palette colours
- PFAS-free (no “forever chemicals” complying with EU regulations effective 2026)
- Rated to 160 kg (most alternatives in-market are 80–100 kg)

Optional LifeTrack™ Warranty Program key benefits:

- Potential to at least double the useful life of the workstation frame
- Significantly reduce cost, landfill and embodied carbon consumption in manufacturing on any life extended workstation
- Warranty stays valid if the workstations are reused or relocated
- Projections based on furniture replacement every 10 years indicate the following savings for the ‘second life’ of the workstation:

+67%

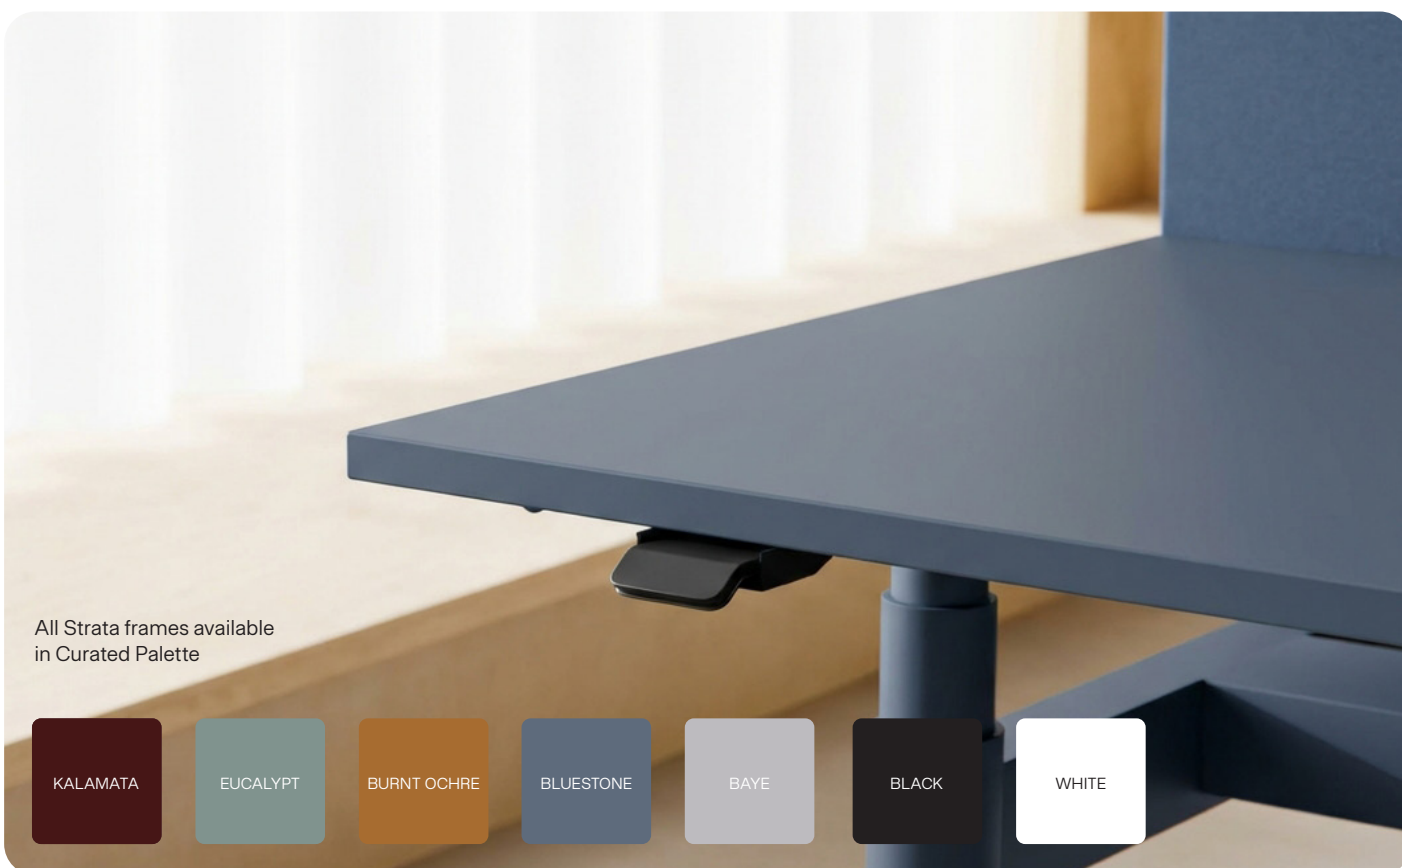

Cost reduction
(pre-inflation)

91%

Reduction in
embodied carbon

97%

Reduction in
waste to landfill

All Strata frames available
in Curated Palette

Linak® Experience Hardware

The strongest, smartest, and greenest actuator system ever produced, built for 25,000+ cycles and zero standby power waste.

Cycle-based Extended Warranty

Measured by real-world actuator cycles, not years. Every workstation is individually auditable and re-certifiable.

Smart Workstations with AXON Systems

IoT-connected desks that monitor use, enable booking, track cycles, and integrate into ESG dashboards.
