# HushWork.Sit&Stand

HushWork.Sit&Stand is an acoustic booth offering a new approach to individual work in the office – designed to work standing or sitting. The employee decides which position they want to work in and within two seconds the height of the table top can be adjusted to the desired level. The booth takes up less than 2 sqm, so it fits in most office spaces. It is possible to move the entire booth without having to disassemble it.

**Features**

- Upholstered interior panels available in two types of fabrics in a total of forty colours
- Speech level reduction at 27 dB secures privacy of conversations
- Height adjustment fully manual with our patented solution, which is easy to operate and saves energy. Sustainable approach to comfortable and healty workspace
- Fully automatic efficient ventilation and LED lighting system to guarantee comfort and convenience
- Worktop with manual height adjustment

**Design by**
Hushoffice
