Zody II

Seating

HAWORTH

Zody II delivers exceptional ergonomic comfort for every posture. Its dual posture design supports both sitting and sit-to-stand use, making it ideal for height-adjustable tables. With proven performance, sustainable design, and broad customization options, Zody II offers comfort and creative freedom.

Details

- Dimensionally more accommodating seat and enhanced arms provide a greater range of ergonomic support for more people
- Dual posture option supports seated and the in-between “perch” posture of sit-to-stand; ideal for use with a height-adjustable table
- Pelvic and Asymmetrical Lumbar (PAL™) back system provides independently adjustable support for each side of the lower back
- 4D arms fluidly adjust in height, side to side, front to back, and arm cap pivot position; also available with fixed or height-adjustable arms
